## Training Centres

NW Leicestershire District Council is supporting a new all-ages training centre on Monday evenings at Ibstock Community College.

A second centre will be at Hastings High School, Burbage from Wednesday 21<sup>st</sup> April and is supported by Extended Services, Burbage and British Orienteering.

Coaching provided on Saturday 22<sup>nd</sup> May 10am at Snibston Country Park event.

## Permanent Orienteering Courses

From Easter courses are provided at Watermead South and Foxton Locks, including one for reduced mobility.

A course at Melton Mowbray Country Park is being created, and is to be launched 10th June.

For most sites, maps and guides are downloadable free from the club web site.

Highcross (Leicester) Community Bursary was made in March to Leicestershire Orienteering Club to improve the Permanent Orienteering courses in the Soar Valley. The club is working with Castle Rock High School and the National Forest Company to install a course at Holly Hayes, Whitwick.

For the second consecutive year, Leicestershire Orienteering was runner up in the UK Orienteering club of the year for its community and development work.
