

Fosse Meadows Night Event 8 November 2003
Final Results

Planner / Organiser Comments

Thanks to everyone who came along to the event - there were 33 individual entries, amongst which were several groups & families. Including the organising team, there were a total of 50 people involved in the event, which must be something of a record for a local night event. It really makes the planning / organising worthwhile.

Many thanks to Andy Portsmouth for helping registration and putting out & taking in the controls, and also to Roy Denney for assisting with the finish procedure.

I hope you all enjoyed your run & that we'll see you soon at another night event.

Kevin Bradley
