~~~~~					
~~~~~					
Paul Baker	M50	LEI		30.01	Short 1.9k
Mstr Tebbutt	M3	LEI		60.12	25METRES CLIMB

This first attempt at a mid-week C5 drew a good number of runners from regional clubs and competitors from Finland and Spain.

Whilst sloppy underfoot in places the weather was mild and sunny and the principal challenge the climb in this maturing area and route choice which caused much debate in the car park.

Thank you to Vernon and Geraldine Davis & Silva Ruiz for assistance retrieving the controls
