

LEICESTERSHIRE ORIENTEERING CLUB – OCTAVIAN DROOBERS

Fosse Meadows- 03MAY2006

Organiser: Mark Foxwell

Good to see so many of you, it was a very pleasant evening to be out on Fosse meadows. The courses did change right up to the last minute due to changes in access because of nesting birds in some of the enclosures. Many thanks to Bruce Bryant for use of the new maps as well as flexibility in printing, help with planning and manning the start. I'd also like to thank Peter Hornsby for the SI support and manning download.

Finally thanks to Dave, Bruce and Peter for help collecting the controls.

Next week sees the next LEI event at Burbage just 5k SW of Fosse and the OD event at Hay Wood (near Baddesley Clinton). Hope to see you there.

One junior competitor failed to register a punch at the start and another had no finish, so their Times have been calculated from their check and download times.

Controls were programmed to turn off at 8 rather than 8.30. Apologies to Tim Sherriff and Rebecca Tyler whose last control was affected.
