

**LEI Winter League Event**  
**Whitwick Woodlands and Hermitage Leisure Centre**  
**24<sup>th</sup> October 2007**

Thanks are due to Peter Hornsby for planning the courses and printing the maps and to Chris Phillips and Roy Denney for assisting him with putting out and collecting in the controls. It is pleasing to report that, even though the event was in the middle of the Autumn Half-Term break, there was no vandalism and that competitors reported enjoying for the most part – the exception being the undergrowth if straight line routes were taken in Holly Hayes – the event and the challenging but fair courses and visiting previously unknown control sites and, for the Long Course competitors, reaching close to the extensive viewpoint at the summit of Forest Rock Wood. The blue sky and sunshine must also have helped!
