ANNUAL REPORT AND ACCOUNTS 2023/24

I am pleased to provide the Chair's annual report 2023/24 of Leicestershire Orienteering Club.

As agreed and in line with the constitution I will continue with the formal structure to the report. Which will require a formal noting of the review on the night. But as is tradition I will aim to be brief and focus on the main points.

ANNUAL REPORT AND ACCOUNTS 2023/24 of the Leicestershire Orienteering Club Registered Community Amateur Sports Club

1. Overview of

The Leicestershire Orienteering Club was established in 1970; it is affiliated to the East Midlands Orienteering Association and the British Orienteering Federation. Nearly all our members live in Leicestershire but a couple of members live in Northamptonshire and a couple of members in Rutland.

LEI is a Registered Community Amateur Sports Club

The club's objectives and aims are:

- provide facilities for and promote participation of the whole community in the sport of Orienteering.
- to further the development of orienteering within Leicestershire, Rutland and Northamptonshire and to represent the interests of orienteers based within these areas, supporting their activities and encouraging participation within the sport.

2. Committee Structure and Members, and in-year Changes

In terms of the day to day running of the club there have been regular meetings of the club committee and sub committees. The Committee met four times during the year. The Officers at the year-end are Chairman: Stephen Chafer, Vice Chairman and Minor events coordinator Jane Dring-Morris, Treasurer Simon Ford, Secretary and Membership Secretary Roger Phillips.

The Committee is supported by two Sub- Committees: Events Committee led by the Events Co-ordinator Iain Phillips with other areas managed by the Development Committee led by Roger Edwards as Development Co-ordinator.

Most committee meetings are on zoom, which helps to keep travel costs and room hire rent down.

I would like to thank Roger Phillips for his continued excellent work as secretary, for the continued timely distribution of committee and AGM related minutes and other items. I would also like to thank other member of the executive board and wider committees for their work this year.

3. Overview of Year

Membership

Membership slipped to a total of 107, down 9 from last year. To enable people to benefit from our club we have continued with a zero-club membership fee, and this year included correspondence members. Recruitment of new members continues to be challenging.

Event Programme

As with every year we carried on with a very active and varied event programme and had eight Winter League events. There were 16 summer league events, plus the Score Cup and presentation at Queen Elizabeth Diamond Jubilee Woods, an Autumn club championship in Tunnel Woods followed by the presentations. There were two urban level C events and four forest Level C events. We have continued to use Startkite for pre-entry. We were of course lead on day 1 of the JK at Loughborough University, hosting the Sprint Event. This was a massive effort by the club and resulted in a highly successful and enjoyable event. A massive thank you to all those involved in the JK and all events in the past 12 months

Club performances

The club competed in the final of the Compass Sport Trophy at Beechenhurst in the Forest of Dean. The club were 8th out of 12. Andy Simpson was our highest scorer with a maximum 100 points.

We fielded 2 relay teams in the JK Short Men's Relay, Esther Revell and Ursula Williamson joining the men's teams.

We fielded 3 teams mixed teams in the British Sprint Relays 2 in the Super Vets and 1 in the Ad Hoc

Individual performances

There were a number of significant individual performances. At the British Middle Distance Champs Don Moir was 1st in M90 and Andy Simpson 2nd in M50.

At the JK Sue Bicknell was 3rd in the W80 sprint at Loughborough and Eoin Sipson was 3rd in the Middle distance event.

In the Midland Championships at Sandringham we had four winners Andy Simpson M50, Toni O Donovan W40, Don Moir M90 and Peter Leake M85

At the East Midlands Championships at Chambers Woods we had seven winners, Hugh Chester, Eoin Simpson, Peter Chick, Don Moir, Ellie Simpson, Toni O Donovan and Sue Bicknell.

There was also success for members in the East Midlands League in 2023, with wins for Sindy Chafer, John Marriott, Daniel Stothard, Karen Ives-Smith and Matt White

Congratulation to all for some excellent individual performances in the last year.

International representation

Iain Phillips was again selected for GB TrailO at the European Champs taking part in the both relay and the tempo.

Eoin and Ellie Simpson were both selected for Ireland for the Junior Home Internationals and Andy Simpson for England in the Veterans competition. Many congratulations to Ellie Simpson on being recently selected for the GB talent squad for 2025,

Club Dinner and Awards Evening

I am very pleased that we were able to hold our annual club dinner and presentation evening once again at Longcliffe Golf club. A very enjoyable evening was held despite the efforts of the Mayor and his party. Congratulations to our main club award winners. Roger Edwards, Derek Herd and the Tiger Trophy award winner Peter Leake.

Coaching

No new coaches. We have 3 Level 2 licenced coaches and 1 Level 1. Just a reminder to all the coaches to complete all the various safeguarding and first aid certificates needed. Matt White has expressed an interest in training and a coach

Club Nights

We ran a successful Maprun programme in the Autumn Term and Winter term club nights. Thanks to Derek and other coaches for the club nights and everyone who has contributed to the Mapruns. I would like to spend a little time in the forum section following the AGM to ask the view of the members on their ideas moving forward.

Permanent Courses

We had 2400 download from the BOF site with 500 for Maprun maps. Including 17 club members

Mappers/Mapping

New maps. Ibstock, Coalville, **Sence** Valley.

Updated maps Martinshaw/Ratby, Cademan, Western Park, Melton Park, Beacon Hill, Bagworth, Fosse Meadows.

A number of maps had minor tweaks.

We need more mappers as these numbers are too small

Schools

We mapped Schools - Crown Hills (1)

We continued to Support the NW Leicestershire Schools Primary Competition and Melton & Belvoir Schools with 2 events in March.

4. Governance

The Committees typically meet every month in rotation; most Committee members attended every meeting.

We made no changes to the constitution and only minor changes to the standing orders, covering the new BOF membership categories, as reported at last year's AGM.

5. Overview of Finance

The club has reserves of just over £12,000 at the 2024 year-end with a deficit in the year of £8,200. Note that this does not include any share of the profits from JK 2024 which will be shown in the 2024/25 accounts.

We have continued to invest in the club's kit and equipment, we have invested in new printer and replaced a number of SI boxes. We have provided free of charge buffets at both summer league and club championship events.

General overview

When I look back at what we have achieved again as a club in the last 12 months, despite our shrinking numbers and ageing membership, we should be really proud of the effort and excellent level of events that we continue to provide. Putting on a day of the JK is no small task, as anyone who was involved this year or in previous years will agree. It was really fantastic to see the effort and commitment put in by everyone in the run up to the event and on the day itself. I personally never want to see another bit of signage again. As I was told there is never enough!!

Being involved in both the course planning and event organisation was a real eye opener. Thank you to everyone who helped and especially Iain as day organiser, Steve as planner and Peter as mapper.

As we all know the club functions solely on the back of volunteers and all the time and effort that is put in to the club on so many levels. I thank you all for your continued support throughout the year.

I am pleased to say that even with the change in editorship the club newsletter has continued to be produced to an excellent level and contributions continue to be very welcome. I would like to thank Maureen for her work on the permissions, she has now stepped down from the role, with me now taking on the role and having the task unpicking the complexities of the land ownership of some of our mapped areas. Cademan for yesterday's event has 7 separate land owners.

As I mentioned last year's report, we are reaching a critical position with respect to how the club continues to function and hopefully continues to put on the existing high level of activities. If you have some time to help the club in any capacity please come and find me or other members of the committee.

Ladies and Gentlemen that concludes my report.

President's Remarks 2024

Good Evening – and thank you for attending this important annual meeting when the Officers and Committee have the opportunity to look back over the past successful 12 months and then indicate the range of Events and activities, aided by finances and the work of willing volunteers, that can be looked forward to in the next 12 months and beyond.

What I am about to say may seem like going off at a tangent but bear with me – I promise that all should get, eventually, to the point!

Elderly, and showing it, I definitely come from the generation when BBC Radio, the local Library, and ownership of a bicycle quite literally opened up the world. In recent years aided, oddly enough by some health problems, I have become an even more avid listener to BBC Sounds, and the extensive range of programmes and podcasts that are broadcast daily worldwide.

Nearly a decade ago, (as the BBC has to say programmes from other broadcasters are available) ‘Electioncast’ begat ‘Brexitcast’, as the Good Book would have it, which then begat ‘Newscast’, and then, ‘Americast’, and also the ‘Today’ podcast, and recently the latter had two regular presenters, Nick Robinson and Amul Rajan, discussing how the programmes are made, using ‘in-house shorthand’, a posh way of saying ‘jargon’.

“Sen Ed and Dep Ed, prod squad, lead and heads, ambuls and pambuls, obs, on the phones” and suchlike came and went to be concluded with a quizzical, or even philosophical, “WDIAM”, whereupon I thought, “Hang on, that’s Orienteering”!

“How so” you might be thinking? Well, how about being asked at the recent OD Stratford Urban by a curious lady whilst climbing the steps up to the walkway across the River Avon, and by a gentleman whilst trying to get down the steps on the other side, just what was actually going on, and then to see Maureen at a road junction talking to an interested couple explaining the joys and delights of our Sport, and then later down an even steeper flight of stairs having a pair of dog walkers again seeking clarification – well ‘WDIAM’ just about covers it, as the initials stand for “What Does It All Mean?”.

After all, we too have our ‘jargon’ – SIACs and an SI card, which isn’t actually a card as others would know it, CDs which definitely do not play music or are talking books, maps that have lawns and other green grass coloured a bright yellow, measurements shown in Kms and Ms – I well remember a gentleman new to O-Sport who found our descriptions a bit weird when what he thought was a four foot high rock turned out be a 12 foot plus crag face – and a lady who queried why we had different ways of describing a hole in the ground, and another who queried why, when parts of woodland or forest are shown in shades of green the “nice woodland” is white? Quite a lot of us must have had the experience of explaining what, in the forest, is the ‘Sig Tree’ to be found amongst very many other trees, and the straight blue south to north lines that they thought were streams but are showing a compass bearing whilst holding the map is being held upside down! ‘WDIAM’ indeed!!

To start to conclude, I have one small but significant worry when using our regular and probably unchangeable terminology. and that is ‘Controller’ and ‘controlling’, particularly the latter, as nowadays these words and what they mean and signify to those unfamiliar with our sport may give cause for concern, particularly when well-known presenters and personalities

are being taken off air and, in a very recent case, has one being told that he faces a court case in the middle of next year because of serious accusations of being a ‘controller’ and ‘being controlling’, which is so very different to what the words mean to us as orienteers.

It is a real pleasure, on behalf of all the membership, to be able to say a very real heartfelt “Thank You” to Steve as our Chair, to Jane as the Vice Chair, to Simon as our Treasurer, and to Roger as the Club’s Secretary – they have all done an excellent job day in and day out over the past twelve months on our behalf, aided by the continuing work of the members of the Committee who volunteer to take on specific responsibilities, particularly with Chris and Ursula taking over the mantle of ‘Editors’ of our excellent award winning Newsletter from Alan and Wendy, and to those who offer to be an Event Official or ‘helper’ at Events, all of which ensures that we can continue to enjoy, to strive, and to get - as I always try to sum it up - “Our fresh air and fun – with the fresh air well nigh guaranteed, and the fun being what we make of it”!

For being such good and loyal members, and to partly echo the words of British Orienteering’s Chief Executive at the end of the 2024 AGM, it can be said to you all that “If we all continue to work together, we can and will be even stronger in the future”, so a “Thank You” to everyone.

Now it is my pleasure, once again, to ask you to support and vote for Steve to continue as our esteemed Chair for the forthcoming year 2024 into 2025.

Ernie Williams, 28th October 2024.

Chairman's View for 2025

I am pleased to say that at least up until this moment the committee will stay the same as last year.

It is going to be another busy year, hopefully not quite as hectic as last year but we still plan to put on the same number of events in the coming year.

The club championship is just around the corner on the 9th of November. This year being run at Donisthorpe, with buffet and presentations at Moira Village Hall. We have introduced a Very Short Green course for our W75+ this year and I will be more than happy to discuss other potential changes afterwards. Given the age of our competitors I think the addition of the Very Short Green to the East Midlands league for 2025 is the right way forward.

We are then almost straight into the Winter League with the first event being Narborough Urban on Wednesday 13th followed a week later with a night event at Oakham on the 19th.

The 2025 Level C programme in the words of the Event Coordinator "is coming together". We have a varied program with events through out the year. If you are able to help, especially in the capacity of Planner, organiser or controller please let Iain know.

We are hosting the East Midland Champs this year at Martinshaw and Ratby, with myself and Iain Phillips as co planners. The event is in February, so I had better get on with it.

As many of you will now know we have our heat of the Compass sport trophy at Clumber Park in March. A really nice area to run in so I expect a good turnout.

Again, we plan to hold a full summer League again this year. I really think the summer League is the jewel in the LEI crown and should be cherished. We again attracted over 90 competitors who competed in 2 or more events this year.

As mentioned earlier this evening we continue to struggle to attract new people to the sport. It is the club's intention to try and put something together around the summer league in 2025, probably based around Leicester parks for new competitors. I hope that everyone will support the efforts put in.

We aim to hold the annual club dinner and presentation again this year in March/April. (29th March) We are looking for a change of location for 2025 given the issues we had last year. We will try to avoid any clashes with the mayor. Its always good to have a change.

Which leads me on nicely to the fact that I will be standing down as Chair at the AGM next year. Having by then completed 6 years in the post, I think it is time to pass the baton on to some one new at least for a while.

I took over as Chair in the Autumn of 2019. My first year started well when the Club qualified for the first time for the Compass Sport Trophy final, however by the following week, we had started the first lock down for Covid19. I am still amazed that we managed to put on a summer league that year. It may have had only seven events, but the fact that we put on anything at all was a major feat in its self. Covid unfortunately did put a bit of a dampener on our 50th Anniversary celebrations. Maybe we need to have a 55th Anniversary event next year!

Unfortunately, I am not in the position at the moment to let you know who our new Chair will be, but if you fancy the role, come and see me. Maybe a rejig of the current exec team? I do intend to remain on the committee and continue as permissions secretary.

Ladies and Gentlemen that concludes my view for the coming year.
