Yellow	1.8k 45m		
	1 Charlotte and Lucy Nell	RAFO	00:31:55
	2 Andrew Towers		00:41:32

Thanks to all for making it round a rather muddy and grotty Benscliffe!
I think the rocks and crags have a different feel at night and the light mist added to the effect.
Two of my aims were to avoid brambles and not to entice anyone over a cliff!
I achieved the first and hope I did enough of the second to make the technicality of the area the real challenge.

Split times (Winsplits)
