12	JUN ORTEN	JPN	W21	00:50:03	

COMMENTS

We had the usual mix of regulars for our winter league and visitors from other clubs here or in transit for the festivities - The event was publicised to encourage the general public and launch the new permanent orienteering course at the park and it was good to see a fair number of non members having a go.

It was also nice to see so many youngsters trying their hand
