

From North/Leicester

Approach the town on the A426.

On entering Lutterworth, and just after entering the 40 mph restriction turn right into Bill Crane Way (signposted Bitteswell and Claybrooke). This road will bring you onto Bitteswell Road - the College is located just past Greenacres Drive.

If travelling from the M1/South

At the Sir Frank Whittle Memorial Roundabout and Aircraft Display take the exit towards Lutterworth town centre and drive approximately ¼ mile. With the Town Hall and Market Place to your right, turn left just after the pedestrian traffic lights and proceed into Church Street, which is a one-way system. Bear right into George Street past the Memorial garden, then bear left onto Coventry Road and then turn immediately right at the traffic lights into Bitteswell Road (leaving Wycliffe Memorial on the left and Morrisons supermarket on the right). The College is approximately ¼ mile further.
